### Recommendation

Staff recommends the City extend the moratorium on minimum off-street parking requirements for an additional six months.

### Motion for Consideration

I move to adopt Ordinance 5890.

### Summary

On November 14, 2020 Governor Inslee issued Proclamation No. 20-25.8 which rolled back prior reopening rules related to restaurants and bars, prohibiting all indoor dine-in services. On December 10, 2020 the Governor extended the closures through January 4th. On December 30, 2020 the Governor extended the closures through January 11, 2021. The restrictions on dine-in services for restaurants and bars has forced many to construct temporary outdoor enclosed seating areas in an effort to stay in business. The City had previously adopted a moratorium regarding minimum off-street parking requirements to allow restaurant and retail to utilize their parking for outdoor seating. That moratorium is due to expire January 7, 2021. In anticipation of continued closures and in the interest of helping our local businesses to comply with health and safety standards for temporary enclosures while reducing the financial burden of permit fees, staff has prepared several ordinances to address this issue. Ordinance 5890 extends the moratorium on minimum off-street parking requirements for an additional six months. Ordinances 5891 and 5892 adopt an emergency moratorium temporarily suspending permit and inspection fees for temporary outdoor enclosures constructed for restaurant or bar use in commercial zones. State law requires council to hold a public hearing in 60 days to determine whether the moratoriums will be retained, modified or repealed. The public hearing will take place March 2, 2021.

### Recommendation

Staff recommends the City adopt an emergency moratorium temporarily suspending permit and inspection fees for temporary outdoor enclosures constructed for restaurant or bar use in commercial zones.

### Motion for Consideration

I move to adopt Ordinance 5892.

### Summary

On November 14, 2020 Governor Inslee issued Proclamation No. 20-25.8 which rolled back prior reopening rules related to restaurants and bars, prohibiting all indoor dine-in services. On December 10, 2020 the Governor extended the closures through January 4th. On December 30, 2020 the Governor extended the closures through January 11, 2021. The restrictions on dine-in services for restaurants and bars has forced many to construct temporary outdoor enclosed seating areas in an effort to stay in business. The City had previously adopted a moratorium regarding minimum off-street parking requirements to allow restaurant and retail to utilize their parking for outdoor seating. That moratorium is due to expire January 7, 2021. In anticipation of continued closures and in the interest of helping our local businesses to comply with health and safety standards for temporary enclosures while reducing the financial burden of permit fees, staff has prepared several ordinances to address this issue. Ordinance 5890 extends the moratorium on minimum off-street parking requirements for an additional six months. Ordinances 5891 and 5892 adopt an emergency moratorium temporarily suspending permit and inspection fees for temporary outdoor enclosures constructed for restaurant or bar use in commercial zones. State law requires council to hold a public hearing in 60 days to determine whether the moratoriums will be retained, modified or repealed. The public hearing will take place March 2, 2021.
